ATTACHMENT 3.1-A identifies the medical and remedial services provided to the categorically needy. (Note: Other programs to be offered to Categorically Needy beneficiaries would specify all limitations on the amount, duration and scope of those services. As PACE provides services to the frail elderly population without such limitation, this is not applicable for this program. In addition, other programs to be offered to Categorically Needy beneficiaries would also list the additional coverage – that is in excess of established service limits – for pregnancy-related services for conditions that

this may complicate the pregnancy. As PACE is for the frail elderly population,
also is not applicable for this program.)
